

## PRODUCT SPECIFICATION PS00

### OMYA 00 MARBLE CHIP

**PLANT**                      **BATHURST NSW**

#### SIZE SPECIFICATION

SIEVE – MATERIAL PASSING 2.1 mm	100%	Procedure OP10
SIEVE – MATERIAL PASSING 1.0 mm	< 10%	Procedure OP10

COLOUR & SIZING NOTE: This product is produced from a naturally occurring Calcium Carbonate raw material. As a natural material it is inherent that there will be variations of colour & sizing distribution as the source of that material changes. While the top and bottom size of the material can be controlled, the particle distribution within these parameters cannot.
