

PRODUCT DATA SHEET

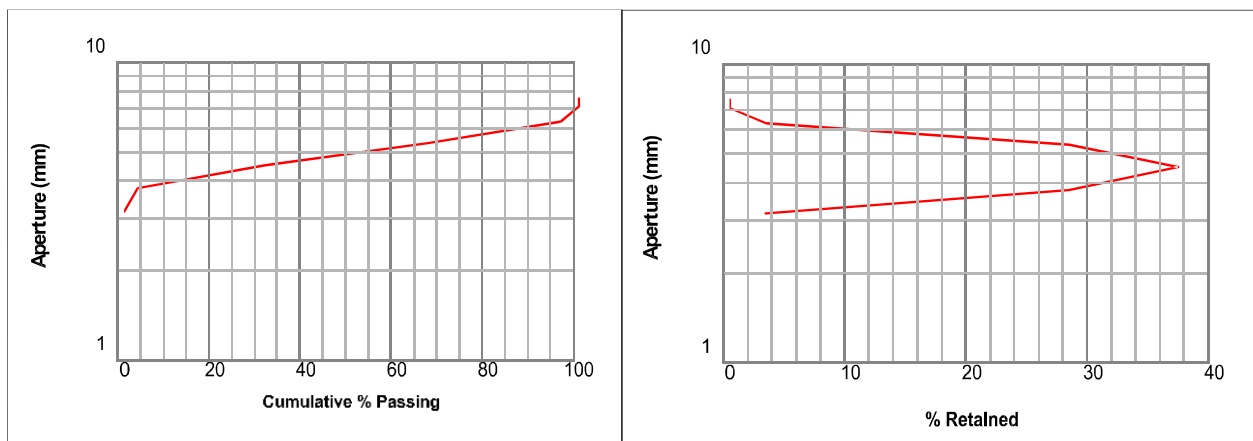

This is a typical analysis of material produced and does not constitute a product certification for material supply.

Product: W5 (3-6mm NOM $\pm 8\%$)

Appearance: Gravel

Main Applications: Filtration Medium

Indicative Grading Analysis: Sieve Standards: ASTM C136, AS1141.11, AWS App B
Sampling Methods: ASTM D75, AS1141.3.1

Aperture (mm)	7	6.3	5.6	4.75	4.0	3.35	2.80	0
Cum % Passing	100	100	96	67	31	3	0	
% Retained	0	0	3	28	37	28	3	

Note: Indicative grading only. Grading analysis will vary slightly over time due to changes in raw feed.

Other Properties
