

Waterequip is proud to be a distributor of the MM Kembla, KemPress Stainless Steel press-fit connection system. MM Kembla has combined the experience and knowledge of nearly 100 years of Australian metal tube manufacturing with German engineering to produce the Kembla Stainless Tube and KemPress Stainless press-fit connection system. With a warranty of 25 years for potable water and fuel gas applications, and a design life of over 50 years, KemPress Stainless offers you peace of mind and the simplicity that you want. Kembla Stainless Steel Tube and KemPress Stainless press fittings, have been optimised for combined use. When you need the highest quality stainless steel press-fit system, use Kembla Stainless Steel Tube, KemPress Stainless fittings and KemPress press tools. Our press tools are of the highest quality, are the lightest on the market and have the longest intervals between servicing.
