|------------------------|---|
| Model: | WERO-US-5 |
| Type: | Reverse Osmosis (Water Purifier) |
| Installation: | Wall Mounted |
| Classification: | Water Purifier |
| Certification: | CE |
| Capacity: | 200L/day |
| Membrane type: | Vontron - 1812-50 |
| Power: | 50/60 HZ |
| Voltage: | 240v AC to 24v transformer |
| Flush type: | Auto-Flush Controlled by microcomputer |
| Fitting type: | JACO or Quick fitting |
| Pressure tank: | 3.2G steel tank or 4.0G plastic tank |

| | |
|------------------------|---|
| Model: | WERO-US-6 |
| Type: | Reverse Osmosis (Water Purifier) |
| Installation: | Pedestal Frame |
| Classification: | Water Purifier |
| Certification: | CE |
| Capacity: | 300L/day |
| Membrane type: | Vontron - 1812-75 |
| Power: | 50/60 HZ |
| Voltage: | 240v AC to 24v transformer |
| Flush type: | Auto-Flush Controlled by microcomputer |
| Fitting type: | JACO or Quick fitting |
| Pressure tank: | 3.2G steel tank or 4.0G plastic tank |

Accessories also Available

- **Replacement cartridges**
 - **Carbon**
 - **Sediment**
 - **Softener**
 - **Re-mineral**
- **Replacement membranes**
 - **1812-50, 1812-75, 1812-100**
- **Replacement Pumps**
- **Replacement Transformers**
