*Your Water Equipment Partner*

**AUSTRALIAN MADE**

## **WERO**

Australian Made Reverse Osmosis Equipment

The dependable name in Austral

At Waterequip we believe the best ROs are made right here down under in Australia. We take great pride in the fact that we are the only water equipment wholesaler who builds and supports its own equipment. We can customise a solution to your needs and have complete filtration packages available in stock.

- Australian Made
- 304/316 Stainless Steel Frames
- Suitable for ULP and LP membrane types
- PLC and HMI controllers
- Flow range from 50l/h-6000l/h
- Only quality components used
- Multiple configurations made to order
- Complete filtration and pre-filtration systems available
- Carry a wide range of spare parts, membranes and consumables

<b>WERO MINI</b>		
<b>Size</b>	<b>Membranes</b>	<b>Flow rate</b>
